2020-2021

St. Luke School

Our ancestors believed that in an environment of ever-changing values, and social pressures, children need a stable foundation upon which to build an academic, civic, and spiritual future. St. Luke Catholic School was created to fulfill this vision.

It is our parishioners, alumni, and friends who support this important mission of our Church that keep our Catholic schools alive and strong.

Parent Response:

"Our kids have flourished at St. Luke's. I was sold after the first couple of weeks of 3-year-old preschool.

"Cheryl Wittmann-Parent of a 2018 graduate and present seventh grade student.

From our Alumni:

"I attended St. Luke's School from kindergarten through eighth grade. During my time at St. Luke's, I not only built life-long friendships, but I also built a solid foundation for my faith. The teachers go above and beyond each and every day to ensure students are learning, both religion and academics. One of the best parts of

St. Luke's is that you don't just learn in the classroom. We had opportunity to give back to the community (setting up for fish fries, caroling to the elderly around Plain, creating cards for the shut-ins, and giving gifts to those less fortunate to name a few). The education and life lessons learned at St. Luke's have helped shape the person and teacher that I am today."

Mrs. Jenna (Alt) Wipperfurth, Class of 2007

Did you know.....

- ◆ We are a 4K-8th school.
- ◆ St. Luke School is a member of the National Catholic Education Association and is accredited by the Wisconsin Council of Religious and Independent Schools. We apply yearly for reaccreditation.
- ◆ St. Luke students do very well academically and receive numerous honors in high school.
- ◆ St. Luke School offers classes in Spanish, technology, and music. Title I, speech clinicians, and other support services are available.
- ◆ St. Luke School offers a variety of extracurricular activities. Students are offered the opportunity to participate in district activities.
- ◆ St. Luke School students learn how to pray, attend weekly Mass, adore Jesus in the Blessed Sacrament, lead the Holy Rosary, and provide service for parish, school, and community needs.
